A Hidden Treasure

There is no end to the meanings discovered in the Sabbath in every generation; there is no limit to the secrets hidden within this enchanted “sanctuary in time.” Even in the Torah itself, the Sabbath is revealed to us from one chapter to another in growing meaning: from a remembrance of Creation to a mark of the Exodus, and an everlasting sign between God and his people. Sabbath is tied to the sanctuary in space as well as to the holiness of the inner mystery of our personal being. The Torah unfolds us, as if by surprise, ever new ways of translating the command “to sanctify” the day into tangible expression.
