 Please turn off cell phones when in the building on Shabbat.

Note to parents: We are delighted to have children at our services and in the sanctuary! They are our future. Our new building includes a Quiet Room connected to the back of the sanctuary. You may see and hear services from the Quiet Room whenever you might prefer.

Renewal and the Art of Living

An artist cannot be continually wielding a brush. An artist must stop painting at times to freshen his or her vision...

Living is also an art. We dare not become so absorbed in its technical processes that we lose our consciousness of its general plan...

The Sabbath represents those moments when we pause in our brush-work to renew our vision. Having done so, we take ourselves to our painting with clarified vision and renewed energy. This applies to the individual and to the community alike.
